

## SECOND BOOSTER TRIP ANOTHER SUCCESS

Business Men 110 Strong Further  
Strengthen Commercial Relations  
With Tulsa's Neighboring Cities.

## NINE TOWNS ARE CONVERTED

Best Reception Accorded Boosters at  
Muskogee, But Smaller Towns Did  
Not Lag Far Behind.

Under the auspices of the chamber of commerce and the retail merchants' association of Tulsa, business men and boosters of the magic city conducted the second trade extension trip of the season. Tuesday, which proved to be a success in every detail with the result that nine more towns are more solidly allied in business with this city.

T. E. Marshall, city attorney, was speaker of the day and W. D. Moss served effectively in the capacity of song and stunt leader. A 12-piece band furnished music and led the Tulsa boosters on a special train at Muskogee Tuesday morning with the principal objective as Muskogee, Jenks, Bixby, Leonard and Haskell were visited en route.

Arriving in Muskogee at noon the Tulsa boosters were met by a committee representing the retail merchants of that city. After a short parade the Tulsa boosters were escorted to Hotel Sevens, where they were the guests of honor at luncheon. J. C. Stone, Muskogee attorney, delivered the address of welcome and C. B. Douglas, secretary of the chamber of commerce, replied on behalf of Tulsa. E. E. Abbott, president of the city club, and M. D. Creel, both of Tulsa, also spoke.

On the return trip over the M. K. & T. the boosters stopped at Porter, Coweta, Broken Arrow and Ada, arriving home at 6:55 as per schedule. The day's activities were concluded with a parade.

Muskogee deserves credit for according the Tulsa boosters the best reception of the day, but in comparison with their respective means Haskell, Porter, Coweta and Broken Arrow displayed civic spirit in abundance and turned out in great numbers to greet the visitors.

Notes of the Trade Trip.  
Tuesday there was plenty of "pep" and steam evinced in the party of boosters who left Tulsa at 8 o'clock for Muskogee. The day's activities were concluded with a parade.

Scheduled to leave at 7 o'clock Tuesday morning the special train carrying the Tulsa boosters left Tulsa at 8 o'clock for Muskogee. The day's activities were concluded with a parade.

E. P. Marshall, city attorney, did the speaking at Muskogee and Ada, but in most instances the crowds could not get close enough to appreciate his remarks because of the mud.

F. O. Larson, business manager of The World, developed ability as an inventor of songs which surprised his friends.

Mrs. Glenn Condon, a member of the band, was the only lady booster on the trip.

"Is Colonel Douglas along?" was the first question asked of the Tulsa boosters when they landed in Muskogee. Secretary Douglas was for many years a resident of Muskogee and his qualities as a live wire booster are well known there.

School children of both Porter and Coweta were marched as a body to the business centers of their respective towns to greet the Tulsa merchants.

The boosters did a hard day's work during Tulsa and Tulsa business and the majority of expenses were covered as "all in" upon reaching home.

The next trade trip will be into northern Oklahoma with Bartlesville as the chief objective.

## CHINESE ENVOYS RECEIVE THREATS IF THEY SIGN

PARIS, May 13.—Messengers threatening violence if they sign the peace treaty have been received by the Chinese delegation from various parts of China. A dispatch sent by 35,000 citizens of Shantung province dated Tsinan-Fu, May 11, says:

"Regarding the Tsinan-Fu problem, Japan shows contempt for public right and never ceases to be ambitious. The people of Shantung desire to accept as effective such ill-considered demands. The traitors to our country, Tsao Yu-Lin (Chinese name) and Chang Tsung-Huang (former minister to Japan, who was severely beaten by the Chinese) deserve death for the blow suffered by the Chinese people."

"Should you sign the Japanese proposal you must receive the same treatment upon returning to China. We can not give you an apology. Do not fail us. We are much in earnest."

## NATIONAL GUARD PLANS GIVEN BAKER'S APPROVAL

WASHINGTON, May 13.—Approval of the reorganization of the national guard plan, the same lines as existed before the great war, was expressed today informally by Secretary Baker. The war department, he said, would favor the rebuilding of the guard to as to permit the various states to have the same units as were used in making up the divisions organized for service in France. Mr. Baker said it would be necessary to secure the change to embody the changes resulting from experience in the recent war. He expressed his personal hope that the perpetuation of the insignia and unit designations of the divisions organized in 1917.

## TULSA'S OWN WAR HEROES WELCOMED

Continued from page one.

Soldierly qualities. At the conclusion of the national anthem there was an outburst of prolonged cheering and the formal part of Tulsa's program of reception had come to an end.

Again police were baffled in keeping order in the auditorium as men, women and children clamored for the opportunity of shaking hands with the ambulances. The stage was over-crowded and the wearers of the olive drab pushed their way to the outside where they could better meet relatives, friends and admirers. It was long after the noon hour when the ambulances had escaped the throngs and gone, some of them, to their own homes and others to the homes of friends.

Leave This Morning.  
Automobiles decorated with national and allied colors carried the men over the city during the afternoon. Last night the ambulances were guests of honor at a concert given at Convention hall by the Metropolitan Opera quartet, Madame Alda sang, "When the Boys Come Home," in recognition of the veterans and the quartet sang the "Star Spangled Banner."

At 6 o'clock this morning the star military discipline will again come to the front and the ambulances will leave over the Frisco for Camp Bowie, Texas, where they will be discharged. It will be several days, possibly the first of next week, before they return to Tulsa to resume life as civilians.

While many informal parties and receptions were accorded the ambulances last night the one most generally attended was given at Kendall college. The ambulances who formerly were Kendall students attended the reception.

"If there is any place I would rather be right now than in Tulsa I can't think of it," said Sergeant James A. Brill following the parade. "Just tell me I'm glad to be home."

Mrs. C. E. Lahman, godmother of the corps, doubtless was the happiest person in Tulsa yesterday. For more than 18 months she has been a constant "American guardian" of all of the boys. Mrs. Lahman's own son was a member of the company.

"I have heard the Tulsans cheer at football games, but the cheering today during the parade outlasted the noise of gridiron days," said smiling John Young, and here of many Kendall football engagements.

"After sticking in France as long as we did I can truthfully say that there is no place like home." It was Herb Baber talking.

Maj. Alvin Niles, one of the parade officials, said: "I knew Tulsa would give the boys a rousing welcome, but it looks to me like even Tulsa is outdoing herself. It's great."

The Tulsa company was 18 months to a day in France, during that time they were only 18 days out of the zone of advance.

Yes, they served in the army of occupation.

"I have seen some mighty chic looking French demobes but please place my order for the American brand," said W. K. Halbert.

## ONE OFFICER IS KILLED; 2 WOUNDED AT SAVANNAH

SAVANNAH, GA., May 13.—One special officer was killed, two others were probably fatally wounded and a fourth was badly injured with a club here today in a pistol fight between uniformed policemen of the Ocean Steamship company and plain clothes men employed by the Central Georgia railroad. The fight took place in the crowded terminals of the steamship company when, according to police, D. R. Gore, one of the railroad's employees, who was shot and is expected to die, said he began shooting because of Hirt and Sergeant H. Campen of the steamship police, approached him to cause trouble. He shot over their heads, he said, according to the police account, and both drew pistols and opened fire on him, when he killed Hirt and shot Campen, who, he alleges was trying to cut him.

## SMUGGLERS HAD READ MARK TWAIN'S OPINION

SAN FRANCISCO, May 13.—Mark Twain's statement in the "Double Barreled Detective" that "the best way to throw a detective off the track is to go along with him" was put into practice recently by an unidentified would-be smuggler on the Standard Oil tanker Royal Arrow, on her arrival here from Hong Kong.

When the customs inspectors boarded the tanker to search for contraband they followed the custom of going to a vacant stateroom to change their uniforms for search clothes. They first searched this room and then started to inspect the vessel.

Finding nothing, they returned to the stateroom to change back into their uniforms and were surprised to note evidence of the room having been occupied during their absence. An examination resulted in the discovery of a heavy roll of pongee silk concealed among a pile of mattresses and a very valuable silk kimono in the locker.

When the incident was reported to Colonel John R. Luby, supervisor of the port, he expressed the opinion that would-be smugglers had without doubt been inspired by Mark Twain's advice.

## TELEPHONE STRIKE SHIFTS CLEAR ACROSS CONTINENT

SAN FRANCISCO, Cal., May 13.—Unless the demands of the operators' union for more pay is complied with, 10,000 telephone operators and 8,000 electrical workers and linemen employed in the state of California, Oregon, Nevada and Washington will quit work Monday. Announcement of the proposed strike of public service employees was announced here today. The operators' cause is being sympathetically espoused by the electrical workers and linemen.

According to the telephone operators they submitted their demands to the telephone officials more than a month ago, but claims they have been unable to secure satisfaction.

Miss Julia O'Connor, international president of the telephone operators' union, is en route to San Francisco from Boston to take charge of the Pacific coast strike for better pay. Miss O'Connor directed the recent successful strike of the telephone operators in the New England states.

## FRONTIER LINES ARE FIXED FOR AUSTRIA-HUNGARY

PARIS, May 13.—The council of five has nearly finished their consideration of the new frontiers of both Hungary and Austria. It was learned today that the council adopted, in the main, the recommendations of the central territorial commission.

The big four has spent considerable time already in canvassing German demands. These related, in addition to other things, to the release of war and civilian prisoners and international labor problems.

German demands for an international labor conference at Versailles to carry out the German socialist views, but it is understood that the big four have adopted the attitude of not granting the request at this time.
